"Where we care for your child, body and soul"

Fall is Here!

You can feel it in the air, you can see it in the leaves on (and off!) the trees, and some days you can even smell fall in the air! It's a great time of year, and it promises to be a great month at SOEL!

We welcome Miss Katie to our midst this month as Miss Julie leaves to await the birth of her twins. Miss Katie has already visited a bit earlier in the month and we are sure she will be a great fit with the Young Preschoolers. We also welcome Miss Anna who has started working in the mornings in the infant room. She, also, is doing great, and I'm sure will be a wonderful addition to our team here at SOEL.

My only other fall reminder is that with the weather turning cooler again, it would be time to replace the summer change of clothes with fall ones, if you do not already have some here. Be watching your child's cubby for the summer clothes to come home and a note if we need a fall change of clothes.

October Happenings

We have three exciting events happening for our preschoolers at SOEL this month.

On Tuesday morning, Oct. 9, Miss Kim is ironing out the details to take the class on a walking field trip to the Tess Corners Fire Dept. There is no cost for this trip, we just need you to sign the attached field trip form. If you are available to come along, that would be great! Just talk to Miss Kim about the details.

On Friday, October 19, the preschool class will be taking another field trip. They will be going up Janesville Road to Basset's for a pumpkin field trip adventure. Included in the \$10 cost is the bus ride, a hayride, a pumpkin, and a delicious pumpkin doughnut! Parents are again invited along at no cost, but they asked us to remind

you that their wonderful market and gift shop will be open for some fun fall shopping!

Our final special event for October is taking place on Sunday, October 21 in our 11 a.m. contemporary service. The SOEL preschoolers will be singing a song in this service. This is the first time we have sung in church as our own group without joining the Sunday School. We are hoping that we can get a wonderful turnout for this special time. The children will meet in the classroom at SOEL before the service (about 10:45), go into church as a group, sing at the very beginning of the service, and then come to sit with you for the rest of the service. Please try to join us, the children work really hard to learn their song, and it's so wonderful to hear them sing their praises to Jesus!
