OUR GOALS

Our overall goal is to provide early learning experiences that assist in nurturing the spiritual, emotional, physical and social development of young children.

These goals are accomplished with experiences and stories that encourage children to explore God's world, solve problems, and to express feelings.

The children are introduced to a social environment that encourages them to play, share, and talk with each other and adults.

Teachers

Our teachers are qualified in Early Childhood Education and have experience in teaching and caring for young children.

They display a loving, Christ-like attitude in their manner, speech and actions.

They recognize each child as an individual, with different personalities, likes, dislikes, learning and listening abilities, and attention spans.

WHO MAY ENROLL?

All children are welcome without reference to religion, national or ethnic origin, gender, or ability.

The SOEL center cares for children ages 2 1/2 through 4, or until they are eligible for kindergarten.

Hours of Operation

- Our doors are open year-round, Monday through Friday, from 6:00 am to 6:00 pm.
- Both full day and half-day programs are available.
- Full day enrollments will be given preference, if necessary.
- Our schedule is flexible to meet **your needs.**

Encouragement

We are dedicated to encouraging and assisting parents in their #1 job of raising their children.

We offer the following resources to help you as a parent:

- * Library
- * Christian Counseling
- * Parent Workshops
- * Moms 'n Tots

Registration Information

OUR RESPONSIBILITY

To God...

to tell young children about Jesus' love and forgiveness.

To you...

to help your child develop spiritually, and to enhance his/her mental, social, emotional and physical abilities.
